7pm Meet at S Stephens to walk a Pembury Road, Lavender Hill circle

7.30 Refreshments in church before the Central Gathering

Meeting times are there – we'll stick to them as closely as we can. We'd love a crowd to walk – it's all suitable for trainers. You can join in the prayers or pray silently as you wish. The church will be open all day with a 'virtual' walk planned and several prayer stations. It would be wonderful if all the church family came at some point to pray with us for the community.
